WESTERN ACADEMY
ANNUAL REPORT 2018 - 2019

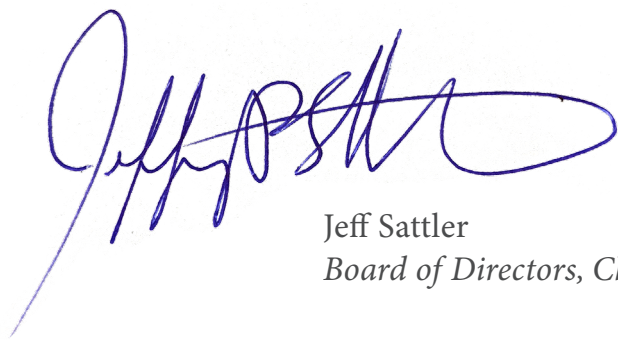

To Our Ever Widening Western Community,

Thanks to the hard work of parents, faculty, students and friends, Western Academy continues to mature and improve. Now operating in this third year of full capacity, we are achieving our goals of matriculating young men who are both virtuous and academically successful. We are proud of each boy at Western, and we are also especially proud of our Old Boys who have moved on to their high schools and colleges of choice and are making an impact on the world.

The generosity of the many benefactors, individuals, corporations, and foundations that have supported Western Academy from its inception to this day is both humbling and inspirational. We will continue to strive to improve how we partner with parents in the most noble work of educating their sons.

Thanks to all of you for your support,

Jeff Sattler
Board of Directors, Chairman

2019 HOUSE OF THE WATER

After a four year drought, House of the Water is back on top of House Cup standings, winning their second ever House Cup! Throughout the year, a strong Shell House maintained a lead due to their dominant play in capture the flag, but Water made things competitive and hung around just close enough to have a chance during the Days of the Cup. After a win in the 8th grade bard competition and a solid performance in capture the flag, Water trailed Shell by 20 points heading into the Heroes' Race. Since each place in the Heroes' Race is separated by 30 points, Water and Shell simply needed to place higher than the other house to win the cup, and Water came out on top! Congratulations to House of the Water!

Throughout the years, the charitable foundations who support Western Academy are the silent yet indispensable partners in the success of the school. Their gifts in the form of grants allowed our school to grow through its inception, help its infrastructure, grant scholarships to families, and assist in operational funding. These friends of our school continue to support the education of boys through their ongoing gifts. We thank them for their valuable contributions to Western Academy.
